Courtland Series

Available in multiple color blends, this product is a great way to achieve a high end flagstone look and feel at a fraction of the cost. This product is excellent not only for walkways, but driveways and patios as well.

- 2.76+thickness suitable for vehicle and pedestrian traffic
- Full stone less than 28 lbs. in weight
- Easy installation
- Available in three natural color blends
- Consistent ½+ sand joint

Designs

Arrangement of Stones as packaged

Half Stones can be used in the pattern by creating
"Full Stones" using the Left and Right sides

Basic laying pattern is created by using 4 stones rotated 90° to each other

Easily achieves a 16" wide accent using full and half stones.
