Cyrano Series

With its subtly-textured design, reminiscent of time-worn stone, Cyrano instantly adds interest to any application. The two stone systems make installation a breeze.

- 2.36+thickness suitable for pedestrian and light traffic use
- two module sizes with embossed weathered texture and optional smooth surface finish (opposite side)
- all sizes packaged in one convenient bundle
- easy installation with design versatility and minimal to no cutting (waste)
- an economical alternative to Centurion achieving a similar aesthetic look
