

SUPER EASY, SUPER FAST, SUPER TOUGH. MEYER SUPER-V

Plowing snow can be challenging even in the best conditions. The Meyer Super-V does what v-plows are supposed to do. With Super-V's one touch controller and dual acting cylinders, you can put the plow in just about any configuration by pushing one button and each of its bottom trip moldboards can trip independently. Available in 8.5' & 9.5' widths.
